EDUCATION

Paris Cité University — Paris, France
Double degree in Mathematics and Computer Science   2021 – present

Spanish Lycee Luis Buñuel — Neuilly-sur-Seine, France
Highest Honors with Jury's Congratulations   2018 – 2021

SKILLS

</> Rust · Ocaml · C · Coq
Python · Java · Bash

🅰🈁 Spanish · Native language
French · Advanced
English · Advanced

EXPERIENCE

CiTIUS — Santiago de Compostela, Spain
Research Internship   July 2023

- Development of algorithms to precisely characterize objects with a single LiDAR scan by reflecting the object on a well-placed mirror.

COMPETITIONS

Francilien Programming Days
Participation in 2022 and 2023
SWERC
Participation in 2024

INTERESTS

Computer Science
Type theory, programming languages, proof assistants, operating systems

Mathematics
Logic, Galois theory

PROGRAMMING PROJECTS

jsh-tyy
C Job Shell as part of an operating systems course

λπ
Dependent types implementation in OCaml

Chimpanzee
Monkey interpreter, compiler, and formatter written in Rust

Be Amazed
Voice recognition game in Java
